MAY IGNORE GREECE [Associated Press Cable]

SOFIA. December 3.-Bulgaria is planning to act independently of Greece in the conduct of the negotiations with Turkey. She is prepared to go ahead and sign a treaty of peace if necessary to stop the awful carnage and put an end to her own frightful losses from disease and war. Steps are already being taken to open the final negotiations with Turkey In London, where they are to be held.

PEACE PACT AGAIN DELAYED

CONSTANTINOPLE, December 3.-Another hitch has arisen in the peace negotiations and for some unknown reason the plenipotentiaries today failed to sign the articles of the protocol as expected. It is understood, however, that the delay is but a temporary one and that the negotiations will be resumed tomorrow,

KAISER INTERVENES

BERLIN, Germany, December 3.-Kronprinz Ferdinand of Roumania torney said that the principal, in the was closeted with the Kaiser all of the morning. Reports of the nature presence of several persons, declared of the conference between the two monarchs are to the effect that the he had never given any such order. Kaiser is bent upon including Roumania in the so-called Triple Alliance, Attorney Lightfoot offered to bring and the acceptance of the Kronprinz of the Kaiser's ideas on these lines

Cabinet Crisis In Japan Grows

TOKIO, Japan, December 3.-The cabinet crisis was further complicated here today by the sudden resignation of Premier Marquis Saionii. The Prime Minister found himself unable to find a successor for Baron Uychera and was forced out of office. The Japanese and foreign press of the country declare that the crisis is a straight fight between the militarists and the constitutionalists of the nation.

To Picture Negro's Wedding

[Associated Press Cable]

CHICAGO, Illinois, December 3 .- Jack Johnson, champion pugilist of the world, this morning took out a license to marry Lucille Cameron, the Milwaukee girl, for whose alleged abduction he was indicted for violation of the Federal white slave law. He says that they will be married tonight. The moving picture companies have paid him five thousand doltransportation in his travels. He es able field of research. We journeyed to get any confirmation to a young woman. The Cheap wines - "dago red" - and lars for the picture rights of the wedding ceremony.
